

College Management and Governance Introduction

1. School Council¹

All school councils in Victoria operate under the Education and Training Reform Act 2006.

Each school council is established by an Order of the Minister for Education, which specifies:

- membership
- size and configuration
- objectives and powers
- functions and accountabilities
- role of the executive officer who is the principal.

1.1. Key functions

The school council has particular functions in setting and monitoring the school's direction.

School councils have three main responsibilities:

- finance: overseeing the development of the school's annual budget and ensuring proper records are kept of the school's financial operation
- strategic planning: participating in the development and monitoring of the school strategic plan
- policy development and review: developing, reviewing and updating policies that reflect a school's values and support the school's broad direction outlined in its strategic plan.

Other key functions of school councils include:

- raising funds for school related purposes
- maintaining school grounds and facilities
- entering into contracts
- reporting annually to the school community and the Department
- creating interest in the school in the wider community
- representing and taking the views of the community into account
- regulating and facilitating after-hours use of school premises and grounds
- operating a children's service at the school.

1.2. Finance

The school council is responsible for overseeing the school's financial performance. It is a legal and Department requirement that councils make sure that monies coming into schools are properly expended and authorised.

Most schools have a finance sub-committee which handles many of council's routine financial responsibilities including the development of the annual budget.

1

<https://www.education.vic.gov.au/school/teachers/management/community/Pages/schoolcouncilsfunction.aspx#link1>

School councils help develop the annual budget and are responsible for ensuring that schools have a functioning and effective system of internal controls. The subcommittee presents the annual budget to the school council for discussion and approval.

Council monitors the school's financial performance against the budget in conjunction with the principal. The convenor of the finance committee, as elected from council members, is preferably a non-Department parent member or a community member. The business manager/bursar should not hold this position. The convenor may be appointed as treasurer by council.

1.3. Annual budget

The school council works to get the best results for the money spent through a carefully planned annual budget. The finance subcommittee and the principal develop the annual school budget. The annual budget outlines the total revenue for the school year, the distribution of funds and how the budget will support the goals set out in the school's strategic plan.

School funds usually come from three sources:

- Funding from the Victorian Government through the Student Resource Package (SRP). The SRP is the school's major source of funding and is provided to support improvement in learning outcomes for students
- Funds in school bank accounts and associated interest
- Locally raised funds, for example, fund-raising activities. Schools may receive other state or commonwealth government funding for specific projects or purposes

Distinctions in roles and responsibilities of school council.

Understanding the functional split between the principal of the school and the school council is critical for the effective functioning of the council.

The school council has a limited governance and oversight role whereas the principal manages the day to day activities of the school and is responsible for ensuring the delivery of a comprehensive education to every student. The principal also holds a duty of care for, and is responsible for the care, safety and welfare of the students at the school.

The following table shows a range of activities that school councils may be involved in:

2. School Council induction and training

Improving school governance, a training package for school councils, has been developed to improve the knowledge, understanding and skills of school council members, school council presidents and school principals.

The package consists of five modules:

- Governance ([pdf - 6.2mb](#))
- Strategic planning ([pdf - 3.66mb](#))
- Finance ([pdf - 546.76kb](#))
- Policy and review ([pdf - 1.72mb](#))
- President ([pdf - 378.55kb](#))

Comprehensive training for school councillors is offered in two formats; Virtual Live Training (formerly face-to-face) and as Interactive Online Modules.

School councillors are strongly encouraged to attend Virtual Live Training or access the Interactive Online Training.

Both formats use information from the Improving School Governance (ISG) package and cover the four ISG modules for:

- governance
- finance
- strategic planning
- school council president.

The online training also covers the policy and review modules. The link to this training is:

3. School Council and sub-committee meeting conduct²

School councillors must abide by the Code of Conduct and locally agreed etiquette.

In the conduct of meetings, the following etiquette will be observed by members:

- only one person talks at a time
- all requests to speak are directed to the presiding member
- all speakers are listened to in respectful silence
- no 'side conversations' are held
- members will listen to the discussion carefully in order to avoid making points that have already been made or asking questions which have already been answered
- when the presiding member indicates that the topic of discussion is closed, no further comments are made
- members will not use jargon
- members will ensure that all electronic devices, such as mobile phones, are silenced and no calls are taken during the meeting
- members will stay calm regardless of how difficult or challenging the topic.

4. School council subcommittees³

Subcommittees are advisory bodies to the school council and assist council with work that needs to be done.

They meet as directed by the council and report, in writing, to the council. Subcommittees regularly report at school council meetings providing advice and making recommendations to the council.

The school council has the final responsibility for decisions. As subcommittees are open to non-school council members, members of the school community have a opportunity to be involved in school planning and council matters.

The school council decides the purpose and terms of reference of a subcommittee. Subcommittees are generally developed to support school council in specific areas.

All school councils are encouraged to have a finance subcommittee. Some examples of other subcommittees are buildings and grounds (facilities), information technology, community relations, student leadership and education policy. Most schools have a finance subcommittee.

4.1. Structure of subcommittees

All school councillors should be involved in at least one subcommittee. A subcommittee must consist of at least three members. Each subcommittee has a nominated convenor who is usually a school council member. Subcommittees are open to non-school council members.

The subcommittee convenor is responsible for:

- reporting back to school council and the principal about the subcommittee's recommendations
- ensuring the implementation and monitoring of approved recommendations
- encouraging participation in the subcommittee from members in the school community.

Subcommittees usually meet between regular school council meetings. This allows time for consideration of their particular area of responsibility and to decide on any necessary action or follow up.

School policy⁴

5. Subcommittees and Working Parties

5.1. Purpose of this policy

To enable school councils form subcommittees to assist the council.

5.2. Prerequisite legislation

School councils are governed by:

- Education and Training Reform Act 2006
- Education and Training Reform Regulations 2017

5.3. Policy

School councils may form subcommittees to assist the council. School councils must decide the purpose and terms of reference of subcommittees.

Subcommittees must:

- consist of at least
- 1 member of the school council
- 3 members overall
- meet as directed by the school council
- report in writing to school council.
- Subcommittees cannot make decisions on behalf of the school council.

Short term working parties:

- can oversee the implementation of short-term tasks
- allow school councils to:
 - keep the number of subcommittees to a practical size
 - use expertise or interest from the school or wider community.

- report in writing to school council
- have a Terms of Reference approved by council in their area of responsibility
- recommend courses of action to the council
- not make decisions on behalf of the school council
- prepare submissions for programs to be considered when budgets are prepared.

The School Council sub-committee convener will be a school council member but non-school council members may be invited to be members of the sub-committee for a one-year period.

The convener must:

- Call all meetings and provide all subcommittee members with an agenda prior to the meeting. Meetings should generally occur between regular school council meetings.
- In the event of his/her absence, nominate another member of the sub-committee to act as chairperson of that meeting
- While all members should attend sub-committee meetings in person, however where on occasion this is not possible, provision should be made to allow for participation of all sub-committee members via video/teleconferencing.
- Provide the School Council Executive Officer with a written report of the minutes and recommendations within one week, after each subcommittee meeting. If time disallows this, a written report must be tabled at the school council meeting. (A standard format for reporting to council will be provided)
- Ensure that the Elwood School Council sub-committee terms of reference are followed

2. Terms of reference

All subcommittees and working parties (will) have published terms of reference that have been adopted by Elwood College School Council.

Every sub-committee member should familiarise themselves with the terms of reference and understand role of the subcommittee and the limitations on its authority.

Finance sub-committee

Terms of Reference

1. Purpose

The purpose of the Finance sub-committee is to assist the School Council in fulfilling its financial management responsibilities including:

3.3. Terms of Reference Review

The sub-committee will review its Terms of Reference in line with the school's review process (four yearly), and make recommendations to school council regarding edits and/or alterations.

Should the sub-committee wish to alter its terms of reference at other times, a recommendation must be made to the school council, including the reasons for the proposed adjustment.

4. Finance

All revenue and expenditure (including reimbursements) in relation to the Parents of Elwood College must be approved by a meeting of school council in accordance with the school's financial procedures.

The Parents of Elwood College will have a sub-program within the school's official account on CASES21. All revenue and expenses relating to the Parents of Elwood College must be recorded within this sub-program in accordance with Department of Education and Training policy as per the Department's website.

A separate sub-program must be maintained for the purpose of:

- the administrative functions of the Parents of Elwood College; and
- the raising of funds by the Parents of Elwood College for the benefit of the school.

All funds raised by the Parents of Elwood College by fundraising activities must be held in the Parents of Elwood College sub-program by the School Council in trust for the general or particular purpose for which the funds were raised.

The Parents of Elwood College finances will be audited along with those of the school as part of the Department's audit process. It is the responsibility of the School and the Parents of Elwood College to provide relevant financial documentation and ensure records are up to date.

The Parents of Elwood College shall not operate for profit or undertake activities for the private gain of individual members.
