

## HOMEWORK POLICY

APPROVED BY SCHOOL COUNCIL 3<sup>RD</sup> MARCH 2020

### PURPOSE

The purpose of this policy is to outline to students, parents/carers and school staff Elwood College's expectations for homework and at-home learning.

### SCOPE

This policy applies to students in all year levels and to staff responsible for setting homework.

### POLICY

Elwood College expects students to further develop and consolidate their independent learning skills by completing homework tasks. Homework has a positive effect on learning and is an important part of reinforcing the concepts that are introduced in class. It also plays a significant role in building work ethic, self-discipline and responsibility.

Teachers at Elwood College are encouraged to exercise their discretion in assigning tasks that are appropriate for their students. Homework assigned across different learning areas will be coordinated by Sub-School Directors and Year Level Coordinators to avoid unreasonable workloads for students.

#### **Years 7 and 8**

Homework tasks at these year levels may include daily independent reading, extended classwork, projects, essays, exercises and research.

Generally, students will be expected to spend a minimum of 5 hours per week on homework tasks. Some tasks may be assigned to be completed during weekends and on the school holidays.

#### **Years 9 and 10**

Homework tasks at these year levels may include daily independent reading, extended classwork, projects, essays, exercises and research.

Generally, students will be expected to spend a minimum of 10 hours per week on homework tasks. Some tasks may be assigned to be completed during weekends and on the school holidays.

#### **Years 11 to 12**

Generally, students can expect homework tasks in these year levels to increase to take into account the expected level of independence and initiative of students.

At Year 11 and Year 12, students are expected to spend an increased amount of time completing homework tasks in preparation for VCE.

Students can expect to spend a minimum of 15 hours of homework per week, and further study on weekends during assessment periods.

### Shared expectations and responsibilities

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Elwood College school will support students by:

- fostering lifelong learning and connecting families with the learning of their children, as part of a comprehensive and balanced curriculum within Victorian schools
- ensuring the school's homework policy is relevant to the needs of students
- advising parents/carers of homework expectations at the beginning of the school year and provide them with a copy of the homework policy
- ensuring students use homework diaries to provide a regular communication between parents and the school. Diaries may be electronic.

It is expected that teachers at Elwood College will:

- equip students with the skills to solve problems
- encourage real-life problem solving, logical thinking, creativity and imagination
- set varied, challenging and meaningful tasks related to class work to suit the students' learning needs
- give students enough time to complete homework, considering home obligations and extracurricular activities
- assess homework and provide timely and practical feedback and support
- help students develop organisational and time-management skills
- ensure parents/carers are aware of the school's homework policy
- develop strategies within the school to support parents/carers becoming active partners in homework
- offer a wide range of opportunities for families to engage in their children's learning.

It is expected that students will take responsibility for their own learning by:

- being aware of the school's homework policy
- discussing with their parents/carers homework expectations
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment.

It is expected that parents/carers will support their children by:

- developing a positive and productive approach to homework
- ensuring there is a balance between the time spent on homework and recreational activities

- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- attending the school events, productions or displays their child is involved in
- ensuring students keep a homework diary
- discussing homework with their child in their first language, if English is not the main language spoken at home, and linking it to previous experiences
- linking homework and other learning activities to the families' culture, history and language, linking with relevant services, clubs, associations and community
- ensuring there is a quiet study area for students to complete their homework tasks.

### Support for students, parents and carers

Teachers at Elwood College understand that students have different learning styles and interests, and may approach learning activities and homework differently. If you are concerned that your child may not understand the homework tasks that have been set for him or her, or is spending a long period of time completing their homework, we encourage you to speak to Sub-School Directors or Year Level Learning Leaders

Students who may benefit from support completing their homework tasks are encouraged to attend Homework Clubs on Wednesday afternoons from 3:30pm to 4:30pm (local students) and Monday, Tuesday and Thursday afternoons from 3:30pm to 4:30pm (international students).
