## ELWOOD COLLEGE BASKETBALL ACADEMY

Thank you for your interest in the *Elwood College Basketball Academy*. This exciting concept emerged through a partnership between Chase Basketball (an initiative of Australian Basketball Resources) and Elwood College and has already cemented itself into the culture of the college. We hope the academy will be an important feature of your son or daughter's academic journey and develop pathways that will last them a lifetime.

The *Elwood College Basketball Academy* is offered to all enrolled Elwood College students. The Basketball Academy provides participants with the opportunity to pursue their chosen sport of basketball as part of their school subject selection. They will undertake intensive basketball tuition through the course of their studies, having access to the highest quality coaches, mentors and teachers that the program can provide. The Academy program is supported by Australia's premier basketball exponent, Andrew Gaze. Andrew has been instrumental in the implementation of the school academy format and is a member of the team that oversees the provision of the program to Elwood College students.

Elwood College holds a firm position as one of the premier public school education facilities in Melbourne's Bayside. The Basketball Academy Program utilises the school's growing sporting resources to introduce basketball as a means for students to fulfil personal fitness and development goals through sport.

The *Elwood College Basketball Academy* is an integrated sports system that allows students to select basketball to be included in their co-curricular timetable. The program is independently accessed through the school enrolment and is open to all interested students in 2017. This fee-for-service program works in conjunction with the student's before, during and after-school commitments, and ties in with the overall pursuit of academic excellence. It offers a mentoring, health and wellbeing component that ensures a rounded and ultimately elite sporting pursuit.

The *Elwood College Basketball Academy* philosophy will be reflected in the coaching principles of the head coaching staff.

The four cornerstones of the Academy philosophy are:

- ❖ Enjoyment/Fun
- ❖ Basketball skills development
- ❖ Fitness from a strong work ethic
- ❖ Personal development.

To register expressions of interest for the Elwood College Basketball Academy Program in 2017 please complete the attached form and return to Elwood College by Wednesday 30<sup>th</sup> November 2016.

Full details about the ECBA program are available on our website [www.elwood.vic.edu.au](http://www.elwood.vic.edu.au) or by request a copy from [elwood.co@edumail.vic.gov.au](mailto:elwood.co@edumail.vic.gov.au)
