Endorsed by Coralee Pratt (Senior Education Improvement Leader) on 29 June, 2020 at 08:02 PM

Awaiting endorsement by School Council President

School Strategic Plan - 2018-2022

Elwood College (7810)

<p>School vision</p>	<p>Our maxim Together We Grow reflects the collaborative approach to learning that is central to Elwood College. Elwood College strives for academic excellence, to be a place where all students are empowered to learn and achieve. We focus on high quality teaching practice and the best conditions for learning which equips students with the knowledge, skills and dispositions for lifelong learning and shaping the world around them.</p>
<p>School values</p>	<p>Our values are Respect, Integrity, Care and Compassion. Our mission is to foster in students a love of learning; to build their resilience; to enable them to approach the future with optimism; and to equip students with the skills and attitudes that will enable them to be productive and responsible global citizens.</p>
<p>Context challenges</p>	<p>Enrolments at the time of the review was approximately 782 students. Over the past two years from 2016, enrolments increased from 584 students. In addition to the International Students Program, the approximately 20% of students are LBOTE and qualify for EAL.</p>
<p>Intent, rationale and focus</p>	<p>Elwood College encourages students to pursue excellence in a culturally diverse learning environment through the development of positive, respectful and cooperative relationships. We have a high expectation that students will continue onto tertiary studies with enthusiasm and confidence. We focus on developing 'future-ready' students, equipped for life beyond school in a challenging local and global environment.</p> <p>Independent, inquisitive learning, and global perspectives are incorporated throughout the curriculum. Classroom activities are designed to teach responsibility, leadership and collaboration. Teachers and students need to acquire the skills to quickly adapt to change, in an ever-changing world.</p> <p>Co-curricular programs assist build school pride, engage with students and ensure a sense of wellbeing at school. Students are expected to be active participants in a range of additional school programs including sport, music, productions, camps, intra-school competitions and student leadership.</p> <p>We value the partnership between families and the college. We encourage and support parents and families to be engaged in student curriculum activities, our school culture and environment. Elwood College has developed a sophisticated transition process, Second Storey, with our feeder primary schools, and we are working on building stronger relationships between primary, secondary and tertiary education settings to provide students with a continuum of learning and a strong sense of community. We value partnerships with a range of community, educational, industry and government organisations both in Victoria and overseas.</p> <p>Global citizenship is fostered through real world contexts for learning. Our diverse student population, International Student Program</p>

and Sister City relations provide opportunities for open and sustained global communication and interactions.
